

## **EDC Shared Values**

In all our relationships with each other, stakeholders, partners, our business customers and community each member of the EDC staff team will be known for these leadership qualities:

### **Integrity**

We will be truthful in all our relationships.

### **Accountability**

We will deliver results consistent with our mission and vision.  
We will honor all commitments.

### **Excellence**

We will achieve the highest professional standards in all our work.  
We will embrace personal learning and growth as essential to performing at our best.

### **Proactive & Open Communication**

We will excel as active listeners and communicate promptly, precisely and purposefully.

### **Respect**

We will value each other's strengths, talents and capabilities and be considerate of one another.

### **Stewardship**

We will assure financial resources, as well as volunteer time and talent, are used prudently to accomplish our mission and vision.

### **Tenacity**

We will overcome obstacles and setbacks with a positive, persistent determination.
